

## Process Credit Card Payments Directly from SAMPro® Enterprise & TechAnywhere®

### About Electronic Payments

Electronic Payments has been a recognized industry leader in credit card processing since 2000, providing companies nationwide with secure payment processing solutions to optimize and streamline operations. As an integrated partner with Data-Basics, Electronic Payments can add value to your SAMPro software with convenient payment processing solutions.

Named "One of the Best Entrepreneurial Companies in America" by Entrepreneur magazine (Jan. 2018), Electronic Payments offers innovative equipment with award-winning, in-house customer service that includes 24/7 technical support.
